

# Feel the SOUL of SEOUL

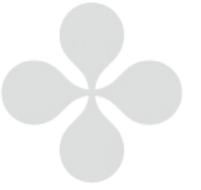

Sharing Outstanding Universal Legacy

ORAL DESIGN SYMPOSIUM SEOUL 2026

The "Oral Design International Foundation" is a dental group whose first priority is the esthetics of the patient. Through a high level of expertise and cooperative international teamwork that transcends the boundaries of our field, we create new values in the pursuit of the essence of esthetic dentistry, We pursue the essence of esthetic dentistry and create new values. And **We uphold the values of our founder, Willi Geller.**
